MR MALCOLM QUALTROUGH
SECRETARY VCUA
RE: FINE.

Malcolm

I am writing in regard to our Clubs non-attendance from the recent Cawdrey Association meeting. A recent phone conversation between Murray Mansfield + Dick has prompted me to explain.

At their employers request both our delegates had changes in their work. Ken Dany had shift Roster changed and Peter Bentalus had to work part of that week, which made it impossible for them to attend. We then tried desperately to secure replacements but was unsuccessful because of such short notice.

Please accept our apologies and we look forward to continued association with the VCUA.

Yours in Valley
John B. Breda
Secretary.
