The Secretary,
Associations as addressed.

EXECUTIVE COMMITTEE UPDATE

In order that all affiliated Associations can be provided with a current list of all Association Executive Committees, an update is being conducted now.

Many Associations have changed their committees since last year, making the present records out of date, and contributing to a breakdown in inter-association communication. My aim is to distribute the new lists during the first week of April.

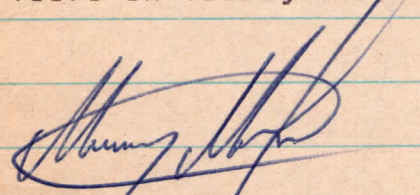

Attached is the list for your Association as recorded. Please make the necessary alterations to the list and return it to me BY RETURN MAIL.

If your Association does not have a post office box, may I urge you to consider getting one, as this provides some means of continuing communication when secretaries change.

In the absence of a return from your Association by March 29th, the current details will be distributed, irrespective of whether they are correct or not.

If you have any further queries, please don't hesitate to contact me.

Yours in Volleyball,

Murray Mansfield
Treasurer
