Dear Malcolm,

Enclosed, please find a cheque for \$100 as an advance on petty cash.

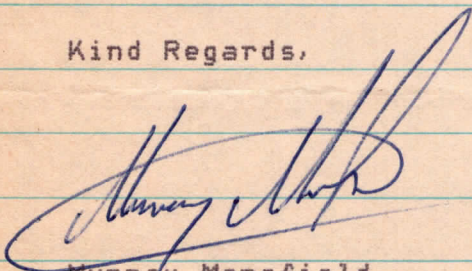

As far as VCVC is concerned, everything at my end is pretty well up to date. I am about to send the entry fees for last years U20's to Horsham. The first financial statement they sent me was a mess, so I asked for more information. Eventually they supplied another, with a promise of more information to follow, but this has never arrived, so I am just going to pay over the fees which they are entitled to anyway. I am not at all impressed with their organizational ability, something we must bear in mind in the future.

I have started work on the 'Bible', as was suggested at the last conference and adopted by the VAVA review. I have completed about five chapters and sent it to Bob for comments, suggestions or whatever. There should be no problem completing it by the middle of the year as suggested. I think it will be a valuable reference for administrators.

Do you still intend to cancel the proposed March conference? From my point of view I would favour a cancellation, or a combination with the VAVA AGM in April, if Associations still want to meet.

That's about all for now - see you soon.

Kind Regards,

Murray Mansfield
