P.O. Box 40,  
EILDON 3713.

Dear Malcolm,

I am writing on behalf of my Club to advise you of an un-avoidable clash with the recording of this years Lightning Spike Cup series and the proposed VCVC Conference.

The TV series was originally scheduled for October 19th & 20th, but this was not suitable to Southern Cross TV8. The only other October weekend, which suits TV8 and the YMCA Stadium is available, is the 12th & 13th October.

In light of the extensive promotional value to country volleyball of this series, could I suggest that an alternative date for the VCVC conference be considered.

In theory there is no reason why the conference could not be held on the same weekend, but in practice, there could well be some delegates who may wish to attend the conference, and will also be involved in the TV series.

I am sorry that this clash has occurred, but the matter is beyond our control.

Yours Faithfully,

Murray Mansfield  
President
