Dear Tomas,

As you know the Victorian and South Australian Country Councils have discussed the possibilities of some type of challenge match.

I am happy to report that the S.A. C.V.C. have confirmed their availability for such a match.

Acting on this, letters have been sent to the persons comprising the VCVC Mens ~~and~~ Womens Senior squad members that you selected at the VCVC Country Championships. The replies from those letters are not yet to hand, however, in anticipation that sufficient interest will be forthcoming, I have much pleasure in asking if you would consider accepting the position of coach to both VCVC squads?

The proposal put forward, but not yet confirmed is as follows.

The venue, Hamilton Sports Centre.

The date, Dec. 1st and 2nd.

The teams would play a series of three matches, best of five sets.

The matches to take place Sat. afternoon, Sat. evening and Sun. morning.

It has been suggested to the squad members that one or two training sessions would need to be conducted, but this would be the prerogative of the coach to set and conduct such training sessions as would seem fit.

Your acceptance of the appointment as coach, and any ideas you may have would be greatly appreciated, please reply one way or another before Nov. 3rd.

Yours in Volleyball,

Tom Stevens
Secretary
