Dear Philip,

This would seem to be an opportune time to present a suggested proposal for an Interstate challenge weekend between the respective representative teams of our Country Councils.

Hamilton Association have indicated their willingness to host such an event, and as they are keen to see some top class Volleyball, I suggest that this be the venue for 1979 and that during 1980 a reciprocal event be staged in South Australia.

The dates most suitable to us would be Nov. 17 & 18 or Dec. 1 & 2, with a preference to the Dec. date. You may have some other time in mind?

Could you please advise if you have U17 teams, and if they too would be interested in being included?

The format could perhaps be matches to be played Sat. afternoon and early evening and Sun. morning. Best of 3 matches, best of 5 sets, no time limit.

The State whose teams win most matches overall to become holders of an appropriate perpetual trophy or trophies.

Hoping that the above ties in with some of your ideas, I eagerly await your early reply.

Yours in Volleyball,

Tom Stevens
Secretary.
