Dear Graeme,

We were very pleased to receive your membership application to the VCVC, and to hear of the growth in your area.

Can you please advise if your Association intends to become a full member of VCVC by registering your players and paying the appropriate fees through us to the VAVA? VAVA advises that the scale of fees has been reduced to 50% of the normal fees because of only 6½ months remaining to this registration period.

Unfortunately, Mr Thomas Santamaria is in great demand throughout the State, so much so that we can only give consideration to fully paid up member Associations who require his services. This may seem harsh but is the only practical course open to any Association.

The Victorian Country Championships (Open) is normally held over the Queen's Birthday weekend, Shepparton being the venue for this year.

The U17 Championships have already been competed for this year.

The U20 Championships were to be held at Warrnambool earlier this year, instead they hosted the U17 Australian Championships, an alternative arrangement has not yet been arranged, you may consider this to be a viable proposition.

It is also possible that a Victorian Country team to be selected from the Open Championships will be competing against a similar South Australian team, tentatively sometime during November, your Stadium has been suggested as a possible venue.

I will be pleased to hear your comments on any or all of the above at your convenience, in the meantime your Association has been added to our Associate membership until further advice.

Yours in Volleyball,

Tom Stevens
Secretary
