(a) Application of a Time limit.
G.Drucker one of the C'ship organisers , explained the reason for applying a time limit.

7(a) cont.

then such a match be recommenced as from the completed set score and to continue through to a normal conclusion. Seconded Rita Godycki Carried.
J.Hoppe pointed out that this was contrary to the International Rules, the Meeting, for lack of a Rule book to confirm the opinion, were inclined to disregard the point in question at that time.

7(b). Championship draw.

A No. of complaints were made in regard to the draw, T.Stevens explained the difficulties encountered by the organisers, withdrawal of teams, late entries etc. It is expected that the application of a much stiffer fidelity bond will greatly reduce the problems at future C'ships.

7(c) Refereeing.

The standard of refereeing and duty teams, for some matches were of poor quality.

The organisers were asked to apply the appropriate penalties for poor Duty. Referees are unable to be penalised, but pertinent comments from experienced persons should be made known to a referee, via the organising committee.

A suggestion worthy of consideration was for all referees to be called together before the start of a Tournament for instruction by the C'ship organisers.

Wangaratta Association are to submit a final statement of finance, any reasonable out of pocket expenses are to be reimbursed in full. Moved T.Stevens seconded Rita Godycki, Carried.

Seconded Rita Godycki Carried.

9. State Director of Coaching.

The existing programme will continue until July 1979, applications for his services after that date should be submitted as soon as possible to the VAVA Secretary.

10. Victorian U15 Girls training.

A request by the coach for submission of names met with very poor response, M.Mansfield on his behalf urged that greater interest be shown.

11. VCVC Combined teams.

Teams to be selected from the forthcoming Open Country C'ships will be asked to compete against S.A.CVC Combined teams late NOV. 1979.
