To whom it may concern,

Please be advised that a tentative proposal is to be made to the Australian Government by the AVF, asking for a reciprocal visit by the Chinese Volleyball teams during September/ October 1980.

Unfortunately very little time has been given for an exhaustive proposal to be drafted by VAVA with regard to a tour of Victoria.

Any Association interested in having the Chinese team visit their Centre is asked to submit an estimate of expected income and expenditure from such a ~~vis~~ visit. The estimate should include Accomodation and travel expenses, expected income from ticket sales and sponsorship.

The estimate must be returned to me by 24th May 1979, if necessary please phone the details through to me and follow it up with a written proposal as soon as possible.

Yours in Volleyball,

Tom Stevens
