COUNTRY CHAMPIONSHIP BONDS

At the meeting of the V.C.V.C. held on 21st April at Wangaratta, the bond for the U17 Championships was set at \$15.00 per team. An amount of \$25.00 per team had been paid for entry and bond combined, prior to the Championship.

Due to withdrawals and late entries, the following Associations, by decision of the meeting, have forfeited all or part of the bond:

Warrnambool - Both teams
Wangaratta - Men
Goulburn Valley - Women
Geelong - Men

Attached is a cheque for the bond which is refunded to your Association, if applicable.

Furthermore, a resolution was passed stating that the bond for all future Country Championships will be \$50.00 per team, which will be forfeited if any team is withdrawn within two weeks of the set date of a Championship. This is an attempt to ensure that any host Association is not subjected to repeated attempts at making a suitable draw, and to provide sufficient time for the V.C.V.C. Executive to study and ratify the final draw prior to distribution.

Your co-operation in future would be appreciated.
