Dear Tom,

You will be glad to hear it is all go for our Interstate games.

At our AGM in Broken Hill last weekend there was wide support from all delegates. It was then put to the players chosen in the respective 12's, and most of them showed keen interest, although there is plenty of travelling in store for them.

Could we set December 1st and 2nd as finalized dates if thats ok with you, and of course to be held at Hamilton. We agree to your format (games Saturday afternoon, Saturday evening, and Sunday morning), but this year NO Under 17's to be included - just senior men and women.

You can still address correspondance to me, but closer contact can be made with Tony Jolly in Mount Gambier. He works for Telecom, and its a free phone call to him - 087255390.

Yours in Volleyball

Dear Tom,

Glad to get your letter in regard to representative games between our Councils.

Both Tony and I agree to your suggested (and the U/17's) format, and at this stage, we too would go along with the December date.

At this stage though we can't make that official, however our Country titles are to be held in Broken Hill on October 6th/7th, and at their conclusion we will be holding the A.G.M of the Country Council.

If you don't mind waiting this long, we could give you an official reply immediately following that meeting. I really don't think we can make a decision in the meantime.

Yours in Volleyball
