

MR TOM STEVENS.

SECRETARY.

V. C. V. C.

P.O BOX 426.

BENDIGO 3550.

Dear Tom,

I am writing on behalf of the Hamilton and District Volleyball Association to express our interest in hosting a match between Vic. court and a similar South Australian side sometime November or whenever they are to be played. I understand from talking with Murray Mansfield that this would be a mens and a women's game, probably at a weekend. Could you please let me know any details you have about the matches and whether or not we are likely to get the opportunity to host these matches.

We would also be interested in having the Vic. country team here for a training weekend.

In regard to our Associations' membership the V.A.V.A. our committee has decided to remain as associate members this season and become full members next year. The reason for this is we have just set up two more courts in our stadium for Volleyball and the committee and our players have had to pay enough this year.

We were disappointed to hear that we could

acquire the services of Mr Thomas Santamaria, but fully understand and accept the reasons for. We are looking forward to his visit next year we become full members.

We are however in need of a coaching type of day in the near future to help sort out some of our problems. Could you let me know how we can go about organising such a day to help us sort out our playing standards and our umpiring interpretation.

yours in Volleyball
Craeme Sawyer
