

VICTORIAN COUNTRY VOLLEYBALL COUNCIL

Rec 27/4/79

The Secretary, V.C.V.C.

10th April, 1979

Mr. T. Stevens

29 TOVELL ST.

NEWBOROUGH 3825

Dear Tom

After giving it a great deal of thought and consideration I find that my interest and enthusiasm in volleyball has waned somewhat in the last 6-8 months and have come to the conclusion that for the benefit of volleyball and in fairness to you all, I must tender my resignation as President of the V.C.V.C. I feel sure that sometime ahead, my services will again be available to administer and assist in this great sport.

I am also involved with the coordination of T. Santamaria's country activities and the V.A.V.A. constitution subcommittee, both duties from which I would also like to be dissociated, but particularly the constitution subcommittee - straight away and the former when it is convenient to you for me to bow out.

Finally, I would like to wish you and all the VCVC as well as the VAVA committee my kindest regards and look forward to the day when our sport will be household name throughout the country.

Yours in volleyball,

Bob Hunter.
