

VCVC President
Mr Malcolm Darby
34 Junier St.
Morwell 3840.

Dear Malcolm,

I hope this letter finds you and your family in the best of health. I have enclosed the Minutes of the VCVC Annual Meeting which need to be duplicated and distributed to all the Country Associations. Being unsure of Barb Van der Steen's travel arrangements I have forwarded the Paperwork to you for action as required.

Can you please ask Barbara to write and ask the State Director of Coaching and the U17 Men and Women's State coaches to attend the U17 Country Championships to be held in Bendigo during April 25, 26 and 27.

A formal letter to the VAVA Secretary (Murray Mansfield) will probably suffice.

I have followed up on most items in the Annual Meeting minutes, except for the distribution of the VCVC Calendar to the Country Associations.

Preparations are well in hand for the U17 Championships and apart from the above requ I should not need to trouble you further.

As can be seen from the Annual Meeting minutes the next Annual Meeting is to be held at the Open Country Championships in Geelong, this may require some early preparation

I half expected a General Meeting of the VCVC to be scheduled for the U17 Championshi at Bendigo, however, 30 days notice is required so it is probably too late to do anything about it at this stage.

Hoping this covers most matters of concern.

Yours in Volleyball,

Tom Stevens
