The Secretary
Victorian Country V'Ball Council,

14/3/80.

Dear Sir,

We are holding a delegate's meeting on 27th March prior to beginning our competition for this season on 15/4/80. We would like each team to have a copy of the International Rules published by the V.C.V.C. and would appreciate it if you could send us 12 copies of the rules booklet as soon as possible.

Could you also tell me where we can buy good quality equipment, such as nets and balls. Some of the nets we have seen have not been good enough quality.

Thanks for your help
