Dear Secretary,

Unfortunately this association has had some problems in filling out and returning your application, for a number of reasons. Initially, on being sent to me, I informed the president, Mr Bill Youl and promised to give it to him at the earliest possible time.

Because of my job, a journalist, I found myself too busy, and passed it on to a friend to give to Mr Youl - she lost it for sometime, and it was two weeks before we found it, and by that time I had burnt my hand rather badly, and Mr Youl had gone on the May holiday vacation.

I have tried to contact the other committee member, the treasurer, but she too is a teacher and on holiday. Would it be possible to get some extension on the deadline, while I do my utmost to contact some-one with regards to this matter?

If no extension is possible, please contact me at this number during working hours: (057) 922066.

Thanking you,

Andrea Norris
