EXECUTIVE REPORT:

President - Montreal visit.

The men's final between Russia and Poland was a real cliff hanger. It was a great spectacle and a good promotion for volleyball. The game was played in front of 17,000 spectators and took 2 1/2 hours to complete.

At the International Congress new rules were adopted.

Discussions with Indonesian reps. to organize a Southern Zone including Philippines, Indonesia and Oceania - it was given a favourable hearing and if adopted would give Australia a chance to qualify for the Olympic Games.

U-20's Championships -

Standard high, championships extremely well organized.

U-20 girls did well considering their inexperience, and finished second.

U-20 boys finished first, winning all their matches.
