.....2nd August,.....197...7..

The Executive of the C.E.P.A. invites you and anyone else you feel would be interested to a Special Meeting of younger members 30 years and under, to put any suggestions that could help our case to retain Hen Quotas when delegates meet the Agricultural Committee of the Liberal Party prior to a Government decision being announced. We feel that the Government decision on Hen Quotas will be made known soon.

The meeting will be at 8 p.m. on Monday August 8th in RSL Hall, Kangaroo Flat, refreshments will be provided.

Please make the effort to come and meet the younger poultry farmers and discuss general items of interest, which are about to take place in the poultry industry.

Yours faithfully,

K. Fitzgibbon,
SECRETARY
