The Secretary,
Victorian Egg Marketing Board,
P.O. Box 4542,
MELBOURNE. 3001

Dear Sir,

Since receiving a letter from the Board in April this year advising farmers that Egg Trolleys were available at a cost of \$97.00, this was discussed at great length by delegates from our Branches at the Annual Conference of the Commercial Egg Producers' Association of Victoria.

We came to the conclusion that grading floors had the most to gain in labour saving costs with the introduction of egg trolleys, so we consider that the trolleys should be supplied by the grading floors.

Yours faithfully,

K. Fitzgibbon,
SECRETARY
