To the Secretary,  
(as addressed)

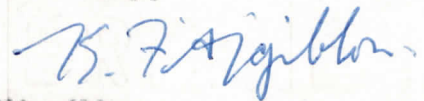

Dear Sir,

The Annual Conference to be held at the City Hall, Bendigo on the 20th May, 1977 is to be opened by Mr. F. Grimwade M.L.A., at 12.30 p.m. sharp (as he has to leave early to attend another function), it is also hoped that other local members will attend during the afternoon.

As Demand Supply Management (hen quotas) is an important issue at the moment I would like you to discuss this with liberal members in your area and advise conference of outcome of discussions.

Hoping your Branch will make every endeavour to have delegates attend this meeting.

Yours sincerely,

K. Fitzgibbon,  
SECRETARY.
