TO WHOM IT MAY CONCERN.

This is to certify that David Purtil has  
been an employee with our firm since 1970  
and during this time he has been honest and  
of sound character.

We can recommend him sincerely.

Yours faithfully,

Rocklyn.

I have known Jan Brown of  
Lockwood all his life & I am  
confident that he would be a  
satisfactory employee in the  
position for which I understand  
he has made application.

I will be glad to speak  
personally for him should it  
be considered necessary to  
make further inquiries.
