AGENDA ITEMS FOR CONFERENCE

CITY HALL, BENDIGO. 8/12/78 at 12.30 p.m.

From South Bendigo - (1) To prevent the disposal of the Dookie Flock or establish a holding station on Kangaroo Island or similar area.

(2) Animal Welfare - discuss for and against and formulate some policy or code.

(3) S.E.C. compensation payments being paid too late - discuss ways to overcome the problems which could occur in the future.

(4) Discuss the advisability of continuing membership of poultry Industry Advisory Council.

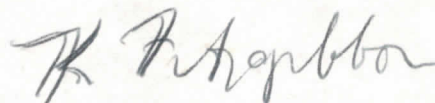

From Murrabit - (5) Off grade wheat be made available for stock feed at a reduced price.

(6) To formulate a policy on the keeping of birds in cages, so that the situation that has arisen in England and Europe does not occur here in Australia.

From Bendigo - (7) That the three main political parties be asked to declare their support for the future of D.S.M.

(8) Should producers have a say in the election of Board Members.

(9) Items be suggested for poultry research advisory council such as fly control, wet manure problems, egg shell quality.
