Dear Sir,

On behalf of the Central Council of the C.E.P.A. I would like to enquire what arrangements have been made to hold wheat for egg producers within 40km. of Bendigo.

We understand that the silos must be cleaned out at the end of each season but we feel that the Wheat Board should be able to hold wheat in one silo in a given storage centre to within 2 weeks of harvest.

Yours sincerely,

K. Fitzgibbon,
