Mr. C. L. Jefferson,
Secretary,
The Victorian Egg Marketing Board,
P.O. Box 4542,
MELBOURNE. 3001

Dear Mr. Jefferson,

I have been approached by several members of the Executive of our Association who claim they have heard that the grading floors will be paying the Producers on a fortnightly basis instead of the present weekly.

They are very worried about this because Producers have to pay for their wheat in advance from the Wheat Board and already the grading floors are paying two weeks after the receipt of eggs. Fortnightly payments would be an added strain.

Could you please explain what the situation is to be.

Yours sincerely,

SECRETARY
