17th July, 1978.

Mr. D. S. Wishart,
Director General,
Department of Agriculture,
Box 4041, G.P.O.,
MELBOURNE. 3001

Dear Mr. Wishart,

I have been instructed to write to you on behalf of this Association to protest at the continued rises in Government Charges and Licenses, some of which have risen up to 500% in a matter of a few years. Hatching Licenses and Test Fees in the Poultry Industry are a major burden to the smaller Producer.

The V.E.B. have contained rises in their product, egg prices having increased only 3% in the past 12 months.

We believe the Government should have a good look at this and set the example to help beat inflation.

Yours sincerely,

K. Fitzgibbon,
SECRETARY
