Mr. D. S. Wishart,  
Director General,  
Department of Agriculture,

MELBOURNE. 3001

Dear Mr. Wishart,

At our recent Conference delegates expressed great concern that the penalties for not adhering to the regulations of the Hen Quota system in Victoria were not severe enough.

The Demand Supply Management Scheme is working well, but we believe that if penalties similar to those enforced in N.S.W., were introduced here in Victoria these would act as a deterrent to ensure all Producers would obey the present legislation.

Yours sincerely,

K. Fitzgibbon,  
SECRETARY
