Dear Sir,

I am writing to you on behalf of the Central Council of Commercial Egg Producers Association to enquire whether the V.F.U. have a Stock Feed Wheat policy. We believe a Stock Feed price on fair average quality grain would benefit both the Producers and the Consumers.

I am enclosing a cutting from 'Bendigo Advertiser' on 23rd May, 1978, regarding the collapse of a large silo at Barter's property near Griffith and I was wondering if it would be possible for you to enquire from the Wheat Board how much of that wheat was bought from them. We feel this is an example for the very real need for a Stock Feed Wheat price.

Hoping to have a reply from you by 20th June, so we can discuss this matter at our Central Council meeting.

Yours sincerely,

K. Fitzgibbon,
SECRETARY
