MELBOURNE. 3001

Dear Mr. Smith,

At the recent conference of the Commercial Egg Producers Association of Victoria I was instructed to write to you to complain that we are annoyed at the amount of statistics farmers have to fill in.

It seems that farmers are required to lose a lot of time filling in various forms throughout the year, so we are requesting your help in this matter to reduce the number to an absolute minimum.

Yours faithfully,

K. Fitzgibbon,
