Mr. Ben McConchie,,
Diagnostic Centre,
Taylor Street,
EPSOM.

Dear Ben,

At our recent C.E.P.A. Central Council Conference, the future of the Liason Committee at the Diagnostic Centre was discussed, all members present from Branches throughout Northern Victoria felt there was a need for such a Committee. It was decided that I was to write to you and suggest that each particular Branch of farming be represented by people from the organisation representing that Industry.

Therefore we are submitting a panel of 4 names (from which 2 could be selected) from our industry who would represent the genuine poultry farmer; they are -

A. Broadbent
J. Scott
R. Stephens
K. Fitzgibbon

Yours faithfully,

K. Fitzgibbon,
SECRETARY
