Mr. D. J. Foster,
Chairman,
Federal Council of Poultry Farmers' Assoc. of Australia,
Torquay Road,
MT. DUNEED. 3216

Dear Mr. Foster,

On behalf of our Association I would like to thank you for your untiring efforts for the continuation of the Demand Supply Management Legislation in this State.

Also for your continued pressure on the Minister for the Capital Territory, R.J. Ellicott re the Barter case in the A.C.T., the result of which appears to be most unlikely that Barter eggs will come into Victoria.

Yours sincerely,

K. Fitzgibbon,
SECRETARY
