Mr. Brian Rushford,
Department of Agriculture,
Division of Animal Health,
P.O. Box 4041,
MELBOURNE. 3001

Dear Mr. Rushford,

I am writing regarding a possible outbreak of an exotic disease, the problems of compensation for loss of income while under quarantine and until operation can commence, should be in three parts:-

- (i) replacement value of buildings and equipment.
- (ii) stock loss.
- (iii) loss of income while farm is out of action.

We place these suggestions before your Division for future consideration,

Yours faithfully,

K. Fitzgibbon,
SECRETARY
