Dear Mr. Burgin,

Thank you for your letter of 22nd November, re the Government's decision to continue the Egg Industry Stabilization Act Legislation for a further 12 months.

Our Association is concerned in relation to the conditions of the Enquiry into the Egg Board and we would like to know what the terms of reference will be. We feel that great consideration should be given to the selection of the men on the Enquiry.

As you will remember there was an Enquiry into the Egg Board held about 4 years ago which showed the Board was being run very efficiently. These Enquiries cost money and are an added cost to Producers.

Yours sincerely,

K. Fitzgibbon,  
SECRETARY
