Mr. B. Reid, M.D.C.,  
Liberal Party Office,  
35 View Street,  
BENDIGO. 3550

Dear Bruce,

At our recent conference members were unanimous in their objection of V.E.B. members being appointed by the Minister of Agriculture. We strongly protest at this very undemocratic method of electing a marketing board, we believe that Producer Members should be elected by the Producers they will represent. 2 zones in the State of Victoria would probably be advisable.

Hoping you will take this up with the Minister as soon as possible and keep our feelings in mind in any future party discussions.

Yours sincerely,

K. Fitzgibbon,  
SECRETARY
