Mr. C. L. Jefferson,  
Secretary,  
The Victorian Egg Marketing Board,  
P.O. Box 4542,  
MELBOURNE. 3001

Dear Mr. Jefferson,

Members of our Association consider that the Board should review the situation of B. Quality eggs. We believe that from 1st April to 1st September each year farms without coolrooms, but whose eggs comply with all other aspects of export quality should be admitted to the scheme for that period. As some grades of eggs are short at this time of the year, serious consideration should be given to this matter.

Yours faithfully,

K. Fitzgibbon,
