Mr. C. L. Jefferson,
Secretary,
The Victorian Egg Marketing Board,
P.O. Box 4542,
MELBOURNE. 3001

Dear Mr. Jefferson,

I have been directed by our Association to request that Producers be notified immediately if there is any deviation from the correct yolk colour of their eggs supplied to the grading floor.

Our members feel that as eggs are now tested in Melbourne, the time lapse of days can cost Producers money.

Yours faithfully,

K. Fitzgibbon,
SECRETARY
