Dear Sir,

Undoubtedly, you are aware that a qualification to a shareholder of the Co-operative, is that that person must be a member of a branch of the Commercial Egg Producers Association.

With the dissolution of the Eaglehawk Branch, it would appear that you are not a member of the Commercial Egg Producers Association, therefore, it is recommended that you, if you wish to remain a shareholder in the Co-operative, enrol with a Branch

or

submit your application in writing for the cancellation of your shareholding.

To assist in this matter, an application for membership with the Bendigo Branch of the Commercial Egg Producers Association is enclosed.

It is requested that you forward your advice in the above matter, within 7 days.

Yours faithfully

W.C. CRAMER.
