Dear Mr. Austin,

We would like to express our appreciation to you for meeting with four of our members at the St. Arnaud Knitting Mills yesterday. In the near future we would like to discuss more fully with you the prospects of the egg industry at a time suitable to you.

I understand our members left with you a letter re the Egg Marketing Inquiry which would serve as our submission for future discussion.

Awaiting your reply,

Yours sincerely,

K. FITZGIBBON.
Secretary.
