Mr. Tom Austin, M.P.,
Minister of Agriculture,
Box 4041, G.P.O.,
MELBOURNE.

Dear Mr. Austin,

As a result of a big meeting here in Bendigo last night, with delegates coming from Harcourt, Murrabit, Wedderburn and Euroa as well as Bendigo and districts, I have been instructed to seek a deputation with you to receive members of our Executive to discuss the proposed Victorian Egg Marketing Board changes. We feel that these changes are economically against country producers and decentralisation.

We have been granted a deputation with the full Victorian Egg Marketing Board on 19th March at 11 a.m. and we would be grateful if you would receive us before that date.

We apologise for the urgency of this request but we feel that this is of great importance to all country egg producers.

Hoping to hear from you soon on this matter,

Yours sincerely,

K. Fitzgibbon,
SECRETARY
