TO: PRODUCERS CONSIGNING TO CRYSTAL GRADING FLOOR

In addition to the charges listed on Circular 24/81, effective 23rd March, 1981 CRYSTAL Grading Floor will charge Producers the following amounts for the additional functions performed by that floor:

	<u>Ungraded Consignments</u>	<u>Pack to Order Deliveries</u>
Consignment fee	\$3.00 per consignment	\$3.00 per consignment
Deliveries in 30 dozen cases	1¢ per dozen	-
Service Fee	0.70¢ per dozen	0.70¢ per dozen

These charges will be shown separately on your fortnightly egg consignment summary.

To reduce the effect of the consignment fee on small consignments, the Grading Floor will accept consignments of less than 12 cases (360 dozen) for group grading. Producers submitting such consignments will receive the average value of all consignments submitted for group grade without paying individual consignment fees.

Yours faithfully,  
THE VICTORIAN EGG MARKETING BOARD
