Dear Kevin,

Following a meeting I had recently with Mr. Geoff Ferns, Advisor to the Minister Mr. Kent, regarding the plight of the Victorian Egg Industry, I request the opportunity to address your executive or preferably your members on the precarious position the Victorian Egg Industry is in in relation to replacement laying stock.

I would appreciate the opportunity at a not too distant meeting of your group of egg producers, at a location and time to suit you. A 15-20 minute address would be sufficient.

Thanking you in anticipation.

Yours faithfully,  
K. & L. THOMAS HATCHERY.
