6th September, 1982.

Mr. Eric Kent, M.P. ,
Minister of Agriculture,
Box 4041, G.P.O. ,
MELBOURNE. 3001

Dear Mr. Kent,

On behalf of the members of the Commercial Egg Producers' Association of Victoria I wish to request that your Government take the necessary action to have wheat stored locally within a radius of 75 Km of Bendigo, for Pig and Poultry producers for this area of Victoria.

The unusually dry spell which will result in very poor crop yields; we believe it necessary that an estimate be prepared for grain required for these two industries for the coming 12 months. If grain is not held in the area now, the Wheat Board will have to bring grain from long distances and users pay more for it.

Hoping you will take immediate action in this matter,

Yours sincerely,

K. Fitzgibbon,
SECRETARY
