

J. Heard
Secretary

19-8-82

South Bendigo Branch CEPA
Marden Gully

Dear Joan

Thank you for your letter conveying the congratulations from your members on my appointment to the Egg Marketing Board.

I am looking forward to representing egg producers views on the Board, particularly the producers around Bendigo and further north, whose opinions have not been adequately put since the unfortunate loss of Alan Hudson to the Egg Industry.

If your Branch would like me to come to a meeting and discuss egg marketing matters I would be very pleased to attend.

Yours faithfully
Don Foster
