Mr. K. Fitzgibbon,
Secretary,
Commercial Egg Producers Association of Victoria,
STRATHFIELDSAYE 3551

Dear Mr. Fitzgibbon,

On 4th July, I wrote to you indicating that the National Party would be pleased to discuss with your Association aspects of the Discussion Paper on the Egg Industry, released by the Minister of Agriculture, Mr. Kent.

I am now writing to suggest that if possible we meet a number of members of your Association, at State Parliament House on Tuesday 16th August.

I am arranging to also meet the V.F.G.A. Egg Industry Section on that day at 3.00 p.m. and would be pleased if we could meet with your Association at approximately 4.15 p.m.

The arrangements are for later in the day, as the Legislative Assembly will be sitting, and hopefully question time will have concluded as a number of our Legislative Assembly members would like to take part in the discussions.

Could you please advise me by phone or letter, as soon as possible if this time is suitable to you. If not we will attempt to arrange a meeting on an alternative date.

Yours sincerely,
