## "POOLED" AIRFARE CHARGES

At the recent meeting held in Sydney it was suggested that consideration be given to pooling airfare charges based on A.C.E.P. meeting in Sydney. The 'pool' was based on return economy airfares effective October 3, 1983 and are as follows:-

	<u>Sydney</u>
Perth to	\$692.80
Adelaide to	\$419.80
Melbourne to	\$266.60
Sydney to	-
Brisbane to	\$275.80
Hobart to	\$396.20

Based on the above airfares pooled costs for 12 delegates attending an A.C.E.P. meeting in Sydney would be \$4,102.40 or \$341.87 per delegate. If, and as it has occurred in the past, Tasmania only provide one delegate, then the pool cost per delegate would be \$336.93.

I hope that this information is to your satisfaction.
