Mr. K. Fitzgibbon,
Secretary,
Commercial Egg Producers' Association
of Victoria,
Central Council,
STRATHFIELDSAYE. 3551

Dear Mr. Fitzgibbon,

I refer to your letter dated 20 December, 1982, which was considered at a meeting of the Review Committee held on 11 January, 1983.

I wish to advise you that the Review Committee does not have any specific details of the alleged illegal transfer of hen quota which is referred to in your letter.

The Review Committee also felt that trade in eggs was a matter for the consideration of the Victorian Egg Marketing Board.

Yours faithfully,

(L. J. Appelbee)
Secretary
