Dear John,

On behalf of the Commercial Egg Producers Association I would like to extend to you an invitation to attend a special meeting to be held at the Diagnostic Centre, Epsom on Monday 18th June, 1984 at 7.30 p.m.

Guest Speakers at this meeting will be Dr. Jim Gould and Mr. Lex Carroll who will address meeting on the effects of exotic diseases in stock. Slides will be shown of recent trip by Dr. Gould of the outbreak in America of these diseases.

This topic would be of interest to cattle and pig farmers as well as poultry farmers, because they could be affected as well.

I would appreciate very much if you could let me know within 7 days if you are free to attend this meeting.

Yours faithfully,

K. Fitzgibbon,
SECRETARY.
