3rd May, 1984.

To the Branch Secretary,
(as addressed)

The Annual Meeting of the Central Council of C.E.P.A., will be held at the Diagnostic Centre, Epsom, on Monday 18th June, 1984 at 2.00 p.m.

Agenda Items for inclusion at that Meeting to be forwarded to me as soon as possible either by phone or mail.

Also Nominations in writing, for the positions of President and Secretary to be lodged with me as soon as possible.

At 7.30 p.m. on that evening at the same venue, Dr. Jim Gould from the Department of Agriculture will give a talk on his recent trip to America where he studied the effects of the recent outbreak of exotic disease. He will also show slides of the trip to inform us of the planning and necessary steps required if such an outbreak occurred here.

We would expect that his talk will be of interest to cattle and pig farmers, who will be most welcome to attend the evening meeting, so could your Branch inform anyone you think may be interested in your area.

For those coming to afternoon meeting it is hoped to arrange an evening meal somewhere handy.

Yours sincerely,

K. Fitzgibbon,
SECRETARY.
