WARRACKNABEAL. 3393,

Dear Bernie,

I have been instructed by my Committee to write to you requesting a meeting with members of your Party, re the Hen Levy Legislation, if you feel this would be advantageous to our case.

The First Reading of the Bill is on Thursday 10th November, and is expected to go through without any trouble. Our policy on this legislation has not altered although there have been some minor changes; but nothing detrimental to the family farming situation.

It is vital that we have your Party's support because any amendments introduced at this stage would be fatal, unless you and Mr. Kent can come to an agreement to overcome any problems that arise.

Time is running out, so we are relying on your support,

Yours sincerely,

K. Fitzgibbon,
