Mr. Richard Guy,  
Manager,  
Crystal Egg Co.,  
Garsed Street,  
BENDIGO. 3550

Dear Richard,

At a recent meeting of our Association members expressed concern at the present operations at Crystal for egg receivals. Since the introduction of the 38 hour week, arrangements are not satisfactory for some Producers who deliver after 3 o'clock on Fridays. It has been noted that eggs have been left on trolleys on the floor and also on the on the platform over the weekend. This would be disasterous in the summer months.

Last Friday with the floor closing at lunchtime (this was done without notice being given to Producers) it was most inconvenient for those with low delivery vehicles.

We believe that Producers are as important as Unions and their requirements should be discussed as well, so that satisfactory arrangements can be made suitable to both.

I would like to discuss this matter with you at your earliest convenience.

Yours sincerely,

K. Fitzgibbon,  
SECRETARY.
