Dear Mr. Jefferson,

Further to our previous requests I would on behalf of this Association, offer an invitation to the full Board to be present at a meeting in Bendigo on Tuesday 13th November, 1984 (either in the afternoon or evening whichever is most suitable to you).

Anyone who wishes could stay overnight and go to the Bendigo Cup on the next day.

We request that the full Board discuss this invitation responsibly as we see far greater value from discussions being held here in Bendigo than a few of our members going to Keysborough.

Looking forward to a prompt reply as we need time to arrange a Central Council meeting,

Yours sincerely,

K. Fitzgibbon,
SECRETARY.
